Every family enrolled at JKCS is expected to volunteer during the school year, 20 hours for a full-time family, and 10 and 15 for part time Junior and Senior Kindergarten respectively. JKCS values each hour of volunteering at \$25, and families are invoiced in June for any unmet hours. More details on this program are provided at the Admissions Meeting.

**\*\*New families: A non-refundable admission fee of \$500 must be attached to your application** which will be refunded only if your admission is denied by John Knox Christian School. This is not an extra fee; it will be deducted from your tuition.
